**\*\*Aquatics Awards Night Sat July 23<sup>rd</sup> at 3PM\*\***  
**(BEFORE Champs Week)**

**\*\*\*Various social events throughout the season!\*\*\***

## SWIMMING & DIVING SWIMSUITS

The purchase of a swim team bathing suit is strongly recommended for both boys and girls of the swim and dive teams. Suits vary from season to season but are usually carried by the manufacturer for only two years. Suits are chosen for the greatest comfort, style, and durability. You may purchase it at registration or at the Virginia Swim Shop located at NOVA or at Disco Sports.

## 2005 KRA AQUATICS Swim & Dive Teams INTRODUCTION

Kanawha offers a competitive swimming and diving program. Any child under the age of nineteen has the opportunity to participate. To be on the swim team, children should be able to swim the length of the pool unassisted. If not, they should continue in swim lessons or pre-team and join the team at a later date. **Swim team cannot take the place of swimming lessons!** To be on the dive team, the child should be able to jump from the board and “get” to the ladder unassisted.

All swimmers and divers must be registered, with all fees paid, in order to participate in the program. Parents may register their children and pay the required fees by completing the registration form in the KRA Newsletter. Registration deadline is Wed, June 1<sup>st</sup>.

Parent volunteers are needed for all meets! They provide enthusiasm, support, and help build confidence in the children. Parents are required to work two meets, either four halves or two whole meets for swim team, and one meet for dive team. The schedule will be posted on the Aquatics Bulletin Board and it is the *responsibility of the parent to be present or find a substitute for the meet.*

*This year, for the first time, JRAC will hold a synchronized dive meet, and Kanawha will be the host! This new event will be held on Monday, July 11 at 2 pm. In addition, the All Stars Dive Meet will be held at Kanawha on Wednesday, July 27 from 1 pm until 6 pm.*

Team participation promotes sportsmanship, self-esteem, self-discipline, and social interaction among a wide variety of age groups. We look forward to a successful season and welcome all swimmers and divers!

## SWIM TEAM

The Kanawha swim team is a group of 175 to 200 swimmers ages 6 through 18 years of age who practice and compete as a team in the James River Aquatic League (JRAC). The coaches work hard with each particular age group on stroke technique, turns, and competitive dives for each specific event while also nurturing a love and enthusiasm for the sport of swimming.

Swimmers of all levels are welcome as there is a classification category for each stroke; hence, an experienced swimmer rarely competes against a novice swimmer. Classifications are based solely on times swum. All swimmers are important to the team as points are awarded in each of the four classification categories in each age group, novice swimmers being equally important as Double X swimmers.

JRAC's philosophy : "... to foster swimming in each member club so that each child has the maximum opportunity and incentive to develop his/her aquatic interests and abilities."

As a member of the Kanawha swim team you are sure to learn lifelong swim/fitness skills, share in an enthusiastic, high-energy team, and make strong friendships for years to come. *Welcome to our team!*

## SWIM MEET ENTRIES

Each swimmer will be entered in at least two events every dual meet. Should a swimmer be sick or away for a meet, he or she must notify the coach either by email or by signing one's name on designated sheet on the bulletin board. This needs to be done as soon as possible and no later than four days prior to the meet.

## COMMUNICATION

- A current email address will keep you updated and informed throughout the season in regards to practice times, changes, cancellations, coaches thoughts, and social events.
- Weather hotline –288-9745
- The Kanawha website, [www.krafun.org](http://www.krafun.org), has club information, meet highlights, and pictures. The JRAC website, [www.jracsummerswim.org](http://www.jracsummerswim.org), has meet results and league information.
- Bulletin Boards (to the left of the snack bar): Check these daily to stay abreast of new information and pre-meet entries.

## PRE-TEAM

This swim group usually consists of 5 – 8 year olds who are new to the team and are not ready to make a full commitment to the swim team. In this program, the children are building confidence through skill development. To join this program, your child must be able to swim 25 meters of freestyle and backstroke. It doesn't have to look pretty.

There will be a pre-team evaluation on Thursday, June 16 from 4:30 p.m. – 5:00 p.m. at Kanawha to determine if your child is eligible. Pre-team practice begins the following Monday, June 20.

## CLASSIFICATION OF SWIMMERS

**AGE:** Swimmers are classified by their age as of June 1<sup>st</sup> as indicated below.

Mites	8 & under
Midgets	9 & 10
Juniors	11 & 12
Intermediates	13 & 14
Seniors	15 thru 18

## COMPETITIVE CLASSIFICATIONS

**NOVICE:** A swimmer is a Novice in an event in his or her age group unless he or she has made the novice cut off time in that event.

**REGULAR:** Any swimmer may swim in the Regular heat of an event provided he or she has not made the X time or faster in that event. (Note that a Novice swimmer can be entered in a Regular heat at the coach's discretion).

**HEAT X:** A swimmer must swim in the X heat of an event if he or she has made the X qualifying time but has not made a XX qualifying time.

**HEAT XX:** A swimmer must swim in the XX heat of an event if he or she has made the XX qualifying time in that event.

Tables showing the Novice Cut-off times, X and XX times are listed in this booklet. Remember that times are yard and meter times – use the correct column.

*Swimmers compete against other swimmers of their same sex, age group, and competitive classification.*

## SWIM MEETS -- WHAT TO EXPECT

**What to bring to a meet**

- Well-rested swimmers. Swimmers should leave the pool after morning practice the day of the meet and spend a quiet afternoon.
- Dry towels, sweatshirt, cap, and goggles.
- Swimmers should leave all valuables at home.
- Nutritious snacks (eat dinner about 4:00PM), card games or other quiet games.

**When to arrive (*ONE HOUR* prior to home meet)**

- Warm-up for the home team is 5:45 to 6:00PM
- Warm-up for the visiting team is 6:00 to 6:15PM
- Swimmers should arrive 15 minutes prior to warm-up.

**Dual Meets - Two teams**

- Usually on Monday nights
- Meets usually begin at 6:30PM and last until 10:30PM

**Events**

- There are 6 events in which swimmers compete:
  - Individual Medley (Midgets and older)
  - Freestyle
  - Backstroke
  - Breaststroke
  - Butterfly
  - Relays
- In dual meets, each swimmer may swim a maximum of three events, including relays. A swimmer may compete in four events, including relays, in the Championship Meet.

## SWIM MEET EVENTS

Freestyle is a novice event during every meet, which means that each team has no limit on how many swimmers can be entered. One other stroke is also a novice event at each meet. The Event Sheets in this booklet will tell you which strokes are swum at each meet.

Relays consist of four swimmers, no more than two of which may be boys. Novice relays may only be composed of novice swimmers, while other relays can mix regular, X and XX swimmers. Relays rotate between freestyle relays and medley relays, where each swimmer swims a particular stroke in a prescribed order (Backstroke, Breaststroke, Butterfly, Freestyle).

KRA swims four of the teams in our division once, while swimming our closest competition twice. Divisional standings are figured each year after Championships. There are three divisions (blue, red, white). Kanawha is in the top division, which is blue.

The Championship meet allows swimmers from all 17 JRAC teams in the league to swim against each other. Kanawha swimmers who qualify will swim in championships if possible. We feel it is very important for AS MANY AS POSSIBLE to experience this meet. Remember minimum-qualifying times must be achieved and coaches are limited to two entries per speed classification per event in Championships (one relay team per event). The minimum qualifying times are published in this booklet. Keep up with your times so you will know when you qualify. (Your best times are posted each week with your meet assignments.)

**IF YOU ARE UNABLE TO COMPETE IN CHAMPS AND YOU HAVE QUALIFIED, YOU MUST LET THE COACHES KNOW NO LATER THAN THE THURSDAY AFTER THE LAST DUAL SWIM MEET.**

**ATTENTION PARENTS: Please check the bulletin boards two days after the last dual meet (Wednesday, July 20) to see if your child is scheduled for champs! Again, this year JRAC Swim Champs are July 28<sup>th</sup> and 29<sup>th</sup>.**

- **Check the Aquatics Bulletin Board to find out what events your child will swim. Events should be posted 3 to 4 days prior to the meet. If your child cannot swim in the posted event, notify the coaches as soon as possible and no later than four days prior to the meet.**

### After Warm-ups

- **LISTEN: When an event is called by the Announcer, swimmers obtain their entry cards from the Card Giver and then give the cards to the Clerk of Course.**
- **Swimmers are placed in heats by the Clerk of Course. There may be many heats in novice events.**
- **Each lane is manned by three timers who represent both teams. These timers take the official time. Swimmers may ask for their time at the end of the heat ...this is an unofficial time.**

### Ribbons

- **Mites receive heat ribbons awarded at the end of a race to the fastest swimmer in each heat.**
- **The top six swimmers, as judged by time, in each event receive ribbons. These are given out at practice the following day.**
- **Results will be posted during the meet for each event at each level (Novice, Regular, X, XX).**

### Rain Policy

- **Swimmers should come to the meet venue even if there is rain. The meet referee decides whether to delay or postpone the meet. Rainouts are usually held the following night.**

# EVENTS FOR DUAL MEETS

50 Free	43.50	39.37	43.00	38.91
50 Back	54.00	48.87	53.25	48.19
50 Breast	55.80	50.50	56.00	50.68
50 Fly	54.00	48.87	54.00	48.87
<b><u>JUNIORS</u></b>				
50 Free	39.00	35.29	38.50	34.84
50 Back	47.50	42.99	48.00	43.44
50 Breast	51.00	46.15	51.00	46.15
50 Fly	47.25	42.76	46.50	42.08
<b><u>INT.</u></b>				
50 Free	33.93	30.71	32.80	29.68
100 Free	1:17.99	1:10.58	1:15.00	1:07.87
50 Back	44.00	39.82	43.00	38.91
50 Breast	45.50	41.18	44.50	40.27
100 Breast	1:38.73	1:29.35	1:34.49	1:25.51
50 Fly	41.00	37.10	38.75	35.07
<b><u>SENIORS</u></b>				
50 Free	33.21	30.05	30.50	27.60
100 Free	1:17.26	1:09.92	1:10.59	1:03.88
50 Back	43.50	39.37	39.30	35.57
50 Breast	44.26	40.05	42.16	38.15
100 Breast	1:36.59	1:27.41	1:29.17	1:20.70
50 Fly	40.00	36.20	35.50	32.13

\*Conversion: Multiply yard time by 1.105 and round to two decimal places.

How to Read this Table

A child attaining or bettering any of these time standards is no longer Novice in that event, (i.e.: a Mite girl who swims 25 meter free in 23.00 is no longer Novice. A girl who swims the distance in 23.01 remains Novice.)

## CHAMPIONSHIP QUALIFYING TIMES

## CHAMPIONSHIP MEET

Ten days after the last dual meet of the season, the James River Aquatic Club holds a two-day Championship Swimming Meet. Each of the JRAC's teams competes to determine a winner. Each team is allowed two entrants per competitive category: Novice, Regular, X, and XX.

Participation in the meet is based on times and performance during the season. The coaches try to send as many swimmers as possible. **If your swimmer will not be able to swim in Champs, please let the coaches know as soon as possible. New Parents: Check the bulletin boards to see if your child will be going to champs!**

Entries are decided well in advance and all events are pre-seeded by JRAC. This makes for a very smoothly run meet.

Each day's events are concluded with relays-medley relays on Thursday and freestyle and a coach's relay on Friday. Trophies are awarded to the top six teams.

Concessions, suits, caps, goggles, Championship Meet T-shirts, and heat sheets are available for purchase at the meet.

## **FROM THE DIVING COACH...**

I am looking forward to this year's diving season with high hopes for a continued rise in team membership and enthusiasm. Diving is perhaps the most enjoyable summer league sport in which your child could be involved. We encourage team spirit and instill sportsmanship in the children, as well as build friendships that last all year. The children have fun and gain self-confidence.

I have been fortunate to coach at Kanawha for the past 25 seasons. During this time, many questions have been asked. The following should answer most of these questions, but please feel free to contact me if you have any others.

### **What are the qualifications?**

The only qualification for KRA diving is that your child be able to jump from the board and "get" to the ladder unassisted. There is no age requirement except that beyond 18 years, a child may no longer participate in JRAC league competition.

### **When does the team practice?**

Practice will begin on Tuesday, May 31. We will practice from 3:00-5:00pm each weekday. We will begin our regular practice schedule on Monday, June 20. The time will be 11:00am-12:30 pm and 4:30-6:30pm on weekdays. All practices will be broken into groups. I will post the exact times once we begin practice. On meet days, practice times will be announced.

### **How can I get team information?**

All information, schedules, meet sheets, etc. can be found on the diving bulletin board located next to the ladies restroom. **I recommend you check this daily!** If you have further questions, feel free to call me or our team representatives, Laurie Ross (740-3564) or Liz Weisiger (288-0680).

## **What is a cupcake diver and what dives will they be required to do?**

Kanawha is proud to have a large and successful diving team. The key to this is a large base of divers ages 4 to 8 who are not ready for "real" meets, but work hard all season. These are our Cupcake Divers. A special meet is held each summer so that these divers can showcase their skills. Each "cupcaker" will do 3 dives or skills that they have learned. Some do only jumps while others may get as far as a back dive. Awards and cupcakes are given to ALL divers and this meet usually marks the end of the season for this group.

## **When and where are meets?**

The team participates in 5 intra-squad diving meets, one championship meet (JRAC), and 3 or 4 US DIVING meets per season. Again this year the JRAC decided to begin our season after school lets out, and we are hosting 3 home meets. The other meets are held at another JRAC pool. All JRAC meets begin at 1:00 PM (warm-ups at 12:00 noon). SENIORS will dive FIRST again this year!!!

## **What are Championships and who gets to dive?**

The JRAC Championship is held at the end of the season. It is a large two-day meet and every diving club is involved. Since this meet is so large, rules allow us to enter only 25 divers. These 25 divers must meet the qualifications set by JRAC. KRA always qualifies 40 to 50 divers, so KRA must seed its qualifiers. **THIS YEAR ALL GIRLS WILL DIVE ON MONDAY AND ALL BOYS ON TUESDAY.**

Seeding is done for the entire league. Our 25 divers are the qualifiers who seed highest in the league regardless of age or classification.

## **What is US Diving?**

US Diving is the national organization for diving. They govern all aspects of diving from beginners to Olympians, as well as certifying coaches and officials. At KRA, we have both a certified coach and a certified official.

Locally, US Diving holds 3 or 4 meets per summer. I highly recommend our experienced divers get involved to gain additional meet experience and see divers from across the state.

In early June, I will have packets available for US Diving membership and entry forms for the meets. Many aspects of US Diving are the same as in the JRAC. Required dives, diving status (novice, age group), board height (1m or 3m) and general rules are included in the US Diving rulebook. I am a certified coach and have a copy of the rulebook. If you have any further questions, our US Diving certified official is Loren Phillips (673-4203).

### **Who do the children dive against and what dives will they be required to do?**

The JRAC has set up age groups in which each child dives. They are as follows:

- Mite – through age 9
- Midget – ages 10 & 11
- Junior – ages 12 & 13
- Intermediate – ages 14 & 15
- Senior – ages 16 through 18

The **age groups** are determined by age on **JUNE 1** of the competition year. Divers who turn 19 during the season will be allowed to dive through championship of that season. All age levels dive in each meet and boys do not dive against girls. The JRAC has also set up a list of required dives. See me, and I can explain this. At no time will a child be asked to do a dive that he or she has not practiced.

### **What happens at a JRAC meet?**

At a meet, the children dive in the same order as the age groups listed previously, except seniors who will dive first. Girls dive first, but not against boys. The children are assigned a diving order. Each child does one dive and then waits for his turn to come around again. This goes on for each age group. Meets generally last 3 to 4 hours. After each dive, a panel of judges awards the diver a score

from 0 to 10. The scores are calculated to determine the age group winner and individual places through sixth. From these, team points are awarded.

By rule, only 35 divers can be entered in each meet. We try hard to allow all divers to participate safely. Meet participation is based on the diver's ability to compete, his or her "list" of dives, and a rotation of divers due to the size of our team.

### **Do the children have to stay for an entire meet?**

Although team scores are announced at the end of the meet, the children are not required to stay the entire time. I have found that most want to stay and watch their friends.

### **How do the children get to away meets and are they supervised?**

On the days of away meets, while it is each parent's responsibility to drive his or her child to the meet, many families are going, as well as the assistant coaches and I. We will always meet at KRA and drive to our away meet as a group. The team representatives, the assistant coaches, each parent, and I have the responsibility for supervision at the meet.

### **As a parent, what would my commitment be?**

Parents provide enthusiasm, support, and help build confidence. **EACH PARENT IS REQUIRED TO WORK ONE MEET AND HELP WITH TEAM TREATS AS NEEDED.**

I hope the preceding question and answer section has helped you decide in favor of diving. I am very dedicated to **KANAWHA** diving and my enthusiasm can be quite contagious!!!

See you on the boards!  
Dougie

## Practice Information

### Weather Hotline

288-9745

If practice is cancelled, signs will be posted on the front gate. Or, you may call the pool at 288-9745.

For swimming, cancellation decision will be made by 4:00PM through June 16 and by 8:15AM beginning June 20.

For diving, cancellation decision will be made 30 minutes prior to scheduled practice.

KRA Website: [www.krafun.org](http://www.krafun.org)
